SEALS FOR ALL INDUSTRIES

• DESIGN

If you need a special seal designed, call on the experts at American Casting — we've been in the business since 1910!

• MANUFACTURING

- Complete plastic and metal manufacturing facilities. Manual, semi-automatic and robotic machinery suited for all types of production from prototyping and small orders to high-volume runs.
- Our facilities provide unsurpassed capabilities in design and production alternatives, offering cost savings, selection and fast turnaround times.
- Integrated in-process production methods afford unmatched flexibility in production.

• WAREHOUSING

- Huge warehousing facilities allow AC&M to offer *immediate shipment from stock on most items!*
- Warehousing plans are available providing extended savings.

• EXPEDITING

- Advanced ordering and tracking systems can get your order to you in record time.
- Standing orders are scheduled for optimal delivery times.
